Bethany Bishop Named Rotaract Member of the Year

Springfield, MO (July 1, 2019) – Rotaract Club of Springfield, MO named Bethany Bishop the 2018–2019 Member of the Year at its annual end-of-year celebration at Best of Luck Beer Hall. Peer nominations were collected by Rotaract’s board of directors, then club members voted on finalists to name Bishop for the award.

Bishop commented that, "I am not originally from Springfield, but after graduating from Missouri State, I knew this is the place I wanted to start my career and explore what life would look like for me long term." says Bishop. "While exploring this, it is safe to say that Rotaract has been one of the biggest reasons I know Springfield is my forever place to live, work, and play. I've loved each and every opportunity to give back to our community, listen to and learn from amazing business and community leaders, and most importantly, form life-long friendships with other young professionals in similar life stages."

Bethany has worked at People Centric Consulting Group for three and a half years as the Operations Specialist. Her primary responsibilities include day to day operations, marketing, and product development. She is also a 2019 graduate of Leadership Springfield, serves on the Prosper Springfield Steering Committee, and will be working towards her Masters in Health Promotion and Wellness Management starting Fall 2019.

Current Rotaract President Brandon Bowenschulte said of Bishop, "Bethany fully embraces the mission of Rotaract and Rotary, putting 'Service Above Self'. Her dedication and passion is what makes us proud to have members like herself. She is always willing to go above and beyond the scope of her position and membership to bring such a great and meaningful impact on our club and our community."
